Caistor boasts the well regarded Grammar School, it is a pretty Market Town which caters for all your daily essentials, whilst Market Rasen has three Supermarkets and a Railway Station for anyone needing to travel further afield.

Believed to date back to around 1850 but converted and rebuilt between 1988 - 1990. This home has been owned by the current custodians for 26 years and lovingly brought up to its current high standard through a measured program of work over the years but more recently the Kitchen was refitted in 2025 in a lovely neutral 'Pebble' colour, whilst the shower room and bathroom in 2026 finished in white but both having beautiful blue colour, hand fired earth effect tiling. The flooring throughout most of the ground floor is in 'Tumbled Limestone'. The 10 acres is made up of formal gardens including productive vegetable plot with Large Summer House (18'6 x 11'11) which has a log burner, perfect for outdoor entertaining and an orchard which boasts both fruit and nut trees. There is Pasture and Grazing Land which could easily be used for Equestrian purposes, one of the fields has a water supply connected from the main house and a separate entrance onto the second part of Pelham Road which leads to the village itself, which could make for easy access for horse boxes etc.

The home is warmed by Oil Fired Central Heating and the warmth is retained with the help of uPVC Double Glazing. It comprises in brief: Utility Room, Reception Hall, Refitted Ground Floor Shower Room, Stunning Open Plan Kitchen/Dining Room, Separate Living Room with Log Burner, Four Bedrooms and a Refitted First Floor Bathroom.
