Perkins George Mawer & Co offers an online bidding service via the-saleroom.com and easyliveauction.com for bidders who cannot attend the sale. In completing the bidder registration on either platform and providing your debit card details and unless alternative arrangements are agreed with Perkins George Mawer & Co, you;

Where the Bidder chooses the FREE Registration option:
Easy Live Auction does not charge Bidders for accessing the Website or using the Services. The Auctioneer may charge the Bidder a percentage surcharge of up to 3% of the hammer price for successful live bids and Autobids. There are no charges for absentee bids. The Bidder is to check all charges and or commissions payable to the Auctioneer before bidding and incurring any liability to the Auctioneer. During the registration process for this option the payment card will be checked to ensure it is valid and in working order. This check consists of placing a deferred payment on the card for a nominal amount (less than £2) and voiding the transaction immediately. In the event of the void failing the payment will still never be taken from the card. Some card issuers may show this transaction temporarily on the card statement, if this is the case the transaction may take several days to disappear from the card statement. **Where the Bidder chooses the Flat Fee per sale:**
This fee will be paid direct to Easy Live Auction and the bidder will be able to bid on as many lots within the one sale with no further fees for this service. The Flat Fee is not refundable unless Easy Live Auction has agreed to change their registration method upon request. The Bidder is to check with the Auctioneer about any other fees such as buyer's premiums that will apply. Easy Live Auction reserves the right to remove the Flat Fee option from any bidder for any reason. **Packaging and Shipping**
Please note that packaging and shipping costs are the sole responsibility of the purchaser. Please ensure that a quotation has been obtained before bidding. The link below gives one example of a local courier, but other independent quotations are recommended.
